Why You Should Book Teej

Teej is an experienced powerhouse in the world of sales and leadership, igniting client and team engagement leading to remarkable success. She has a proven track record of exceeding expectations through her in-depth understanding of tailoring sales strategies to any situation. Teej specializes in creating meaningful connections that drive results. She captures the attention of her audiences through her contagious energy and enthusiasm, and she particularly connects through empowering women to rise above challenges with tenacity and resilience. Teej's authentic, action-oriented approach, coupled with passionate advocacy for women, creates a transformative experience.

FEATURED KEYNOTE

The Cost of Comfort:

Most people unintentionally live in their comfort zones, because staying there gives them a false feeling of safety. But, are they really safe or just surviving? Living in your comfort zone has major consequences.

In this insightful and inspiring keynote, discover how these consequences are holding you back and strategies to break through the barriers to live out your full potential.

CONTACT FOR KEYNOTE PRICING

Fee includes a 45-minute pre-event call to allow speaker insight on presentation customization, a 60-90 minute keynote, and a 30-minute post-event call.
